

OUR EDITORIAL STAFF HAS A FINGER ON THE PULSE OF THE MARKET.

They gather, refine and deliver local news and local information on the people, projects and products that shape construction in **Oregon, Washington and Alaska.**

Our editorial scope and integrity makes us a trusted resource.

Northwest Construction has been at the forefront of reporting news, trends, and intelligence on the growing engineering and construction market, and we remain the local leader today, covering all sectors of the industry. In a market that is constantly changing and facing new challenges and opportunities, *Northwest Construction* understands the urgent need for timely and independent reporting that can be trusted by project owners and construction professionals who make crucial business and buying decisions.

Northwest Construction is backed by the editorial power of *ENR*, the construction industry's "brand of record". *Northwest Construction's* editorial team collaborates with *ENR's* editors, to connect local sectors of the industry with coverage in business management, design, construction methods, products, materials, technology, equipment, safety, law, legislation, environment, cost reports, economics, workforce and labor.
